

# ANDRE CORREA DESIGNER

Available immediately for hire or for freelance.

A designer who relishes in and is comfortable transitioning seamlessly between architecture, environment, multimedia, print, and web design.

A well rounded expert with experience ranging from: architecture competitions in Europe; graphic design and web maintenance for the quarterly journal MAS Context; and PowerPoint themes, multimedia, videos, and digital communication campaigns as part of the Internal Operations Communication team at HCSC.

## Competencies

The bigger the graph, the higher the competency. The larger the piece of the pie, the more comfortable I am with it.
